*November 1, 2017*

The annual OGS Conference is just around the corner, April 11-14, 2018 at the Hyatt Regency in downtown Columbus. Please consider either having a vendor table or providing information to me about your chapter so that I can create a display on the Mansfield District Chapters. The annual OGS Conference is a great way to promote your chapter and what you can share about each of your unique county resources and history! Who knows you might even gain some new members!!

Have you considered sponsoring a session? This is another great way to bring awareness to your chapter. If you are interested please contact me at [mragealogy@gmail.com](mailto:mragealogy@gmail.com) !

*Happy Thanksgiving*

## Chapter Announcements:

Now is the time to start thinking about submissions to the annual OGS Fellows & Awards, as the deadline for submissions is Dec 31<sup>st</sup>. Do you have a new publication, how about an outstanding chapter officer, maybe an over the top chapter volunteer? Do you think your chapter is the best in the State? Maybe your chapter has the best newsletter or website in the State? Information on how to submit and deadlines can be found on the OGS website under Fellows & Awards or at the following link:

<https://www.ogs.org/about/awards.php>

**\*\*\*\*Also if you could inform me of your chapter officers for 2018 I would greatly appreciate it. OGS likes to keep their records as current as possible. You may do so by e-mailing me the person's name, position and e-mail address (if available). \*\*\*\***
