## March 1, 2018

The annual OGS Conference is just around the corner, April 11-14, 2018 at the Hyatt Regency in downtown Columbus, if you have not yet registered I strongly urge you do so and save yourself some money the early bird rate ends on March 10<sup>th</sup>.

If your chapter has not secured a vendor table during conference don't worry I have you covered. I purchased a table to represent the all the Mansfield District Chapters. I just need you to provide one or all of the following if at all possible. **The annual OGS Conference is a great way to promote your chapter and what you can share about each of your unique county resources and history! Who knows you might even gain some new members!!**

- Membership forms
- Information sheet which contains the following: Chapter officers names and contact information, meeting dates (example 3 Monday of each month), meeting location, and meeting times.
- Any lineage society information

Tom Neel is looking for volunteers for the OGS Library, if anyone is interested please contact Tom Neel at [neel@ogs.org](mailto:neel@ogs.org). You don't have to work the front desk and answer questions from the patrons; Tom has plenty of projects at the library that there is something for everyone!
