

A HOW-TO GUIDE FOR RESEARCHERS AT ALL LEVELS

Includes New Information about the 1950 U.S. Census

GENEALOGY IN PRACTICE

NEW!

REVISED EDITION 2022

Revised Edition ~ 2022

*By the Firelands Researchers of
the Huron County Chapter
of the Ohio Genealogical Society*

CONTENT INCLUDES...

- How and where to do research
- How to cite information found
- How and where to get vital records
- How and where to find maiden names
- How to use U. S. Census data
- How and where to find cemeteries
- How to document gravestones
- How and where to find court records
- How and where to find data online
- How to use social media for research ...and More!

The Appendix includes 25 pages of reproducible blank charts and forms, including U. S. Census forms, to use to document your research.

Some content focuses on sources in the Firelands area (Huron County and Erie County, Ohio), but the strategies for doing research can be applied to any geographical area.

Soft-Cover / Comb-Bound – 94 pages – \$15.00 each
