**Title:** Death Index, Huron County, Ohio, 1908-1919

**Author:** Huron County Chapter OGS

**Publisher:** Huron County Chapter OGS, Norwalk, Ohio, 1999

**Location:** Huron County, Ohio

This Huron County death index for the time period 1908 through 1919 was provided by the Huron County Health Department. It simply gives the name of the deceased and the month/day/year of death. At the time the index was created, death certificates had to be secured through the Health Department, 189 Milan Avenue, Norwalk OH 44857, for a fee. There are now other options. Microfilmed copies are available at the Norwalk Public Library, 46 West Main Street, Norwalk OH 44857. Free digital images for Ohio Health Department death certificates 1908 to 1953 are available online through FamilySearch.

This is one of 18 titles that were provided to the Ohio Genealogical Society for its Digital Library by the Huron County Chapter OGS through the 8 for 88 program. OGS is attempting to secure 8 new digital offerings for each of the 88 counties. Please keep in mind that works by OGS and its chapters are generally copyrighted. This material may not be reproduced, displayed, modified or distributed without the express prior written permission of the copyright holder. This work is here provided for the personal use of OGS members consistent with its mission to meet the educational needs of its members and the general public through the acquisition, preservation, and dissemination of genealogical and historical information.
