Title: Huron County Probate Court Naturalization Records Index 1859-1903

Author: Henry R. Timman

Publisher: Huron County Chapter OGS, Norwalk, Ohio, 2003

Location: Huron County, Ohio

In Huron County, Ohio, naturalizations were recorded in the Common Pleas court journals from 1819 through 1862. Naturalizations that cover the period 1859 through 1903 are found in Probate Court. This volume by Henry R. Timman, Chief Deputy Clerk, Probate Court, covers this second time period before naturalizations went back to being a duty of the Clerk of Courts. Included are the name of the alien, the county of origin, the year, and the volume and page number of the record. Record groups in this index include Naturalization of Minors, First Papers, Final Records, Naturalization Records, and Record of Aliens. The original journals are in the courthouse Historical Library in Norwalk, Ohio, and have also been microfilmed. Volunteers at the Huron Co Chapter OGS, PO Box 923, Norwalk OH 44857, can secure photocopies of the documents for a donation if the reader is unsuccessful getting them through Probate Court and/or FamilySearch.

This is one of 18 titles that were provided to the Ohio Genealogical Society for its Digital Library by the Huron County Chapter OGS through the 8 for 88 program. OGS is attempting to secure 8 new digital offerings for each of the 88 counties. Please keep in mind that works by OGS and its chapters are generally copyrighted. INDEX OF PROBATE COURT NATURALIZATION RECORDS 1859-1903

This index was done hastily to create a "better than nothing" index to the Naturalizations on file with the Probate Court. It should be used with great care and flexibility, in that names are spelled variably and writing is hard to read. One should also look not only at the indexed page, but at the page before and after to see if there is further information on the person being searched. At this writing (June 2001) the originals of these records are in the Historical Library and a microfilm copy is available in the Court office.

Following are an explanation of abbreviations used:
