Title: 1870 Huron County, Ohio Federal Census Index

Author: Huron County Chapter OGS

Publisher: Huron County Chapter OGS, Norwalk, Ohio, 1999

Location: Huron County, Ohio

Census records are searchable online now on a number of web sites, however, the interpretation of the old script handwriting is often poor. This index of the 1870 Federal Census for Huron County, Ohio was completed by residents of the county and members of the Chapter who had some familiarity with the families who lived there. This is an every-name index. Provided are the name of the individual, age, birthplace, page number on the census, and a 4-letter code identifying the county and township.

This is one of 18 titles that were provided to the Ohio Genealogical Society for its Digital Library by the Huron County Chapter OGS through the 8 for 88 program. OGS is attempting to secure 8 new digital offerings for each of the 88 counties. Please keep in mind that works by OGS and its chapters are generally copyrighted. This material may not be reproduced, displayed, modified or distributed without the express prior written permission of the copyright holder. This work is here provided for the personal use of OGS members consistent with its mission to meet the educational needs of its members and the general public through the acquisition, preservation, and dissemination of genealogical and historical information.

1870 HURON COUNTY, OHIO, FEDERAL CENSUS INDEX

This publication is an index of every person listed in 1870 United States Federal Census for Huron County, Ohio. It includes the county or state of birth, age of the person in some townships and the page on which the information is recorded.

The names have been transcribed and spelled as accurately as possible to those recorded by the enumerator. Since the handwriting was sometimes extremely hard to read, the chapter transcribers used historical, land, and cemetery inscription records to help verify names.

When using this index and the original records, remember to watch spelling errors and be flexible in a name search.

A special thank you is given to the chapter members who typed, proofread, and worked on this publication in any way. Those being: Mary Bick, Ann Bresson, June Bashore, Mary Carabin, Leslie Casper, Lenora Downing, Pauline Hamer, Mary Harmon, Judy Kelble, Arthur Keller, Jean Myers, Thomas Neel, Vaughan and Lois Neel, Ruth Reed, Bethanne Schwenk, Martha Sturges, Henry and Martha Timman, Rebecca Williams, Kathryn Wunderly and Ron Stroup, a non member.

Any reproduction in whole or part of this publications is strictly prohibited without consent of the Huron County Chapter of the Ohio Genealogical Society, P.O. Box 923, Norwalk, Ohio 44857.

INFORMATION CONCERNING CANADIAN ABBREVIATIONS

From 1791 to 1841 Quebec was known as **Lower Canada** and Ontario as **Upper Canada**. In 1841 the British Colonies of Upper and Lower Canada joined together under a single British colonial government and was officially named the Province of Canada. The southern area of present-day Quebec was called **Canada East** and the southern area of the present-day Ontario was called **Canada West**. This condition continued until 1867 when the Province of Canada joined the Dominion of Canada as two provinces and were renamed Quebec and Ontario.
